Pursuant to Federal Rule of Appellate Procedure 26(b) and Federal Circuit Rule 26(b), Plaintiff-Cross Appellant Apple Inc. (“Apple”) moves for a 21-day enlargement of time in which to file Apple’s principal brief. Apple’s principal brief is currently due on July 7, 2014; the requested extension would extend that date to July 28, 2014. Apple has not previously sought to extend the deadline for this brief.

Apple requests the 21-day extension because of the upcoming July 4th holiday and to accommodate the schedule of its appellate counsel, who has several other professional obligations in the imminent future, as set forth in the Declaration of William F. Lee submitted herewith.

Counsel for Apple has conferred with counsel for Samsung Electronics Co., Ltd.; Samsung Electronics America, Inc.; and Samsung Telecommunications America LLC (collectively, “Samsung”) regarding the substance of this motion. Samsung consents to the relief sought herein and will not file a response.

Apple accordingly requests that this Court grant its unopposed motion and extend the due date of Apple’s principal brief from July 7, 2014 to July 28, 2014. A proposed order is included herewith.

Respectfully submitted,

/s/ William F. Lee
